Update: Locker Installation & Distribution

Sincere apologies for the delay in the installation of lockers that was totally out of the control of the PTA and the local company. The lockers came to Jamaica disassembled, however, I am happy to report that the lockers are being assembled and that process should be completed today.

Additionally, installation of the lockers will begin today and continue throughout the remainder of the week. Parents will be updated via telephone and or email as soon as the lockers are ready for distribution.

Let me take this opportunity to once again apologize for any inconvenience caused and look forward to offering a new level of safety and comfort for our College men!

If you have any questions or concerns, please do not hesitate to contact the PTA Body at jcptajc@gmail.com.

Sincerely,

Jacqueline Robotham

Jamaica College PTA President
