Welcome Letter from Jacqueline Robotham, **JC PTA President 2018-2020**

As the newly elected PTA President, I take this opportunity to welcome you all to the 2018-2019 school year at Jamaica College.

The objective of JC's PTA is to support the administration, staff, parents, and most especially our College men as we forge ahead to enhance the learning and recreational environment through everything we do. The promotion of open communication between administration, teachers and parents as well as encouraging school spirit and pride is another hallmark of this body. This is by no means an easy feat and it will take all of us working together to achieve this goal. At Jamaica College "WE ARE GOOD AT EVERYTHING!!!" and I know that with your continued support it can be done & done well!

The newly installed PTA Executive Team has been busy fine-tuning its plans for a productive and fulfilling school year. To this end, we crave your support and participation in upcoming events and projects to be undertaken by the Team. Whether as a sub-committee member, volunteer or an attendee, your time, talents, voice and energy/effort will be appreciated. You are also welcome to lend support to the PTA by providing the Executive Team with suggestions or ideas for potential PTA initiatives.

The PTA at JC provides an excellent forum for exchanging ideas and as such you are encouraged to attend PTA Meetings throughout the school year, make suggestions and provide your input where possible.

On behalf of the 2018-2020 JC PTA Executive Team, I thank you in advance for all your commitment and support and look forward to an engaging, successful and productive school year!!!

If you have any questions or concerns, please do not hesitate to contact us at jcptajc@gmail.com.

Sincerely,

Jacqueline Robotham

Jamaica College PTA President 2018-2020
