## TEXTBOOK ACCESS SCHEDULE

### (BOOK RENTAL COLLECTION)

### SUMMER 2019

Please note carefully the days and times on which your son/ward can collect books from the school's bookroom.

**Please note carefully:**

- Return completed **re-registration form** (enclosed in this package) when collecting books.
- **Books will be distributed only during the times scheduled.**
- Students with outstanding or damaged textbooks will not be able to access books until those books that are outstanding or damaged are replaced.
- **All 3rd form students going into 4<sup>th</sup> form must carry their subject selection form (enclosed in report package) when coming to collect rentals.**
- **4<sup>th</sup> Formers going into 5<sup>th</sup> form must come in on the days outlined to exchange their A Complete Mathematics Course Volume 1 to the A Complete Mathematics Course Volume 2. If you were not issued that book in 4<sup>th</sup> form please come in to collect the Volume 2.**
- Students should come on the days of the class they are going into **NOT** the previous class.
- Please take in all books from the previous year before coming for the new rentals. The process takes longer when you are returning and collecting on the same day.

Your kind cooperation in the execution of this process will be needed to ensure a smooth reopening of school in September. Thank you.
