# Classroom – Entering Grades

## Entering Grades

1. After the headings are set (at least one CW, one HW and one TEST per term).
2. Enter the grades under the column. If total marks was 30, then enter how many point of 30 the student got. (similar to Excel column of data)
3. Do not leave grade cells blank. Enter a code if there is no grade. This will explain why.
4. Note that this is a weighted average: CW=25% HW=25% and TEST=50%
