

8 REASONS TO USE GOOGLE CLASSROOM

- 1) **Mobility:** works on any device once it has internet access. A mobile App is also available.
- 2) **Availability:** It's already within our scope. JC is already using the Google Gsuite. G Suite avails all the Google tools of which Classroom is one. Free.
- 3) **Security:** Top Notch Cyber Security, Google Classroom is deployed in the Google cloud. So we benefit from added security protocols.
- 4) **Accountability:** Promotes accountability and monitoring. Google Classroom's ability to store and track information provides a seamless blended classroom.
- 5) **Support:** Shorter learning curves as the software is supported by a vast community of users (including our colleagues) and is extremely intuitive. Teachers in-house are already using it, so expert knowledge is available in-house.
- 6) **RenWeb Integration:** Interacts seamlessly with RenWeb to import grades. [New RenWeb feature]
- 7) **Productivity Tools:** Additional world-class productivity tools such as G Suite Docs, Sheets, Slides Forms and more.
- 8) **BUY IN:** almost 1,000 students have already activated their JC emails. Students are onboard.
