RE: Extended Deadline for CXC Queries & Script Review Requests

Please be advised that CXC has granted an extension to the deadline for official query requests and the review of scripts for the 2020 cohort of CSEC and CAPE candidates.

**The new deadline for requests to be forwarded on ORS and for drafts to be handed in to the OEC (for reviews) is Wednesday November 4, 2020.**

The cost for reviews has also been changed. **The new cost is US\$15.00 per subject.** Where candidates had previously submitted drafts for US\$30 for the review of one subject, CXC will refund the difference at a later date. The local administrative fee of J\$2, 400 (per candidate) remains unchanged. **PLEASE NOTE THAT IF DRAFTS HAVE ALREADY BEEN PURCHASED, ONE DRAFT FOR US\$30.00 MAY BE USED FOR TWO CANDIDATES IF ONLY ONE SUBJECT PER CANDIDATE IS BEING REVIEWED**

Please give your urgent attention and feel free to contact the OEC if clarification and guidance are needed.
