HAIR POLICY ADJUSTMENT

Greetings Collegemen/ Parents/ Teachers

THE HAIR and GROOMING policy has been the subject of much debate. Please note the following: -

Jamaica College's original rules allow for hair to be cut up to 1 inch at full length. We will now allow up to 2-3 inches of neatly combed hair without coloring or designs. There are allowed exceptions if parents write requesting such and they are approved by the Principal. Religious reasons (e.g., Rastafarians) are allowed exemptions. Headgear/tams are not a part of our uniform.

Parents, we do not wish to waste time in monitoring hairstyles and fads. Please do not request permission for your son/ward to lock his hair if he is not a Rastafarian or similar religion. Braids, cane rows, twists and any other hairstyles are outside of the rules.

Please adhere to the rules with exemptions allowed only AFTER written approval.
