I am Jevaughn Cain and I will be serving at the 1st Vice President of the Jamaica College Key Club for 2023/24. As we kicked off our Key Club year on May 1, 2023, the first month we did some brainstorming in which we organized the ideas and objectives for this year. The Team came together and put forth the ultimate objective of making this Key Club year the best it can be.

We did some service in the month of May but it is not near to the amount we plan to give back to our communities in the upcoming months. Also to our members, you are the bloodline of the Club and we look forward to making this year enjoyable and service oriented. We have no doubt in our minds that this year will surely be full of SOF: Service Oriented Fun.
